

# DIGITAL MEMBERSHIP CARDS ARE HERE

Follow the steps on the backside of this card for download instructions and tips for using the app.

## Benefits of downloading the app:

- Exclusive access to guest and movie passes for select membership levels
- Use your digital card at reciprocal museums
- Kentucky Science Center building map
- Access your membership card on your mobile device anytime

# INSTRUCTIONS

1

Scan this QR code to download your digital membership cards, access applicable guest/movie passes, reciprocal lists, and more.

You can also search for “eMembership Card” in your app store (app icon is above).

2

Allow location access so the museum list will appear with nearest museums first. Click on the Kentucky Science Center logo.

3

Click “Find My Membership Cards” and enter your information. If you can’t find your membership number, email [kscmembership@louisvilleky.gov](mailto:kscmembership@louisvilleky.gov).

Find My Membership Cards

If you have a Dual Membership purchased through the Louisville Zoo, your Science Center membership number is different – please try searching by your phone number (including area code) also before emailing.

4

Verify your membership information and click “Download my cards.” You’ll be able to access your cards through the app when you visit.
