

School's Out Science Camp Pay By Day Information

We are very excited that you have chosen to attend our School's Out Science Camps! Our team is ready for your camper!

Each full day of camp will include approximately 4 hours of activities/experiments in the classroom as well as 2-3 hours of facilitated time in the exhibit spaces, camp games, and demonstrations. A 30-minute lunch break is provided as well as a 30-minute recess.

Camp Registration 8:00-9:00 AM

The Science Center parking lot is located at River Road and Eight Street (map on next page). We recommend you park in the far east side of our lot (Auxiliary Lot) to safely access the Pedway to the front of our building.

Each morning, please bring your camper/s to the Science Center using the Pedway from the lot to the front of the building for registration.

If you arrive after 9:00 AM, please enter using the main front doors and walk to the counter where KSC staff will notify Camp staff. Parents are expected to stay with their camper until camp staff arrives.

Registration is now paperless! You will be asked to complete a digital Health and Permission form when registering online. We will review this form with you during registration to ensure it is accurate.

Routine Pick-up Procedures 4:00-5:00 PM

Pick up is from 4:00-5:00 PM every day. Please see your camp email for the pick-up location on the day that your camper is registered.

A PHOTO ID IS REQUIRED TO PICK UP YOUR CHILD, NO EXCPETIONS. Please make sure that anyone permitted to pick up your camper is listed on their health and permission form.

If you plan on picking up your camper early, please let camp staff know at drop off. Please allow 15-20 minutes for an early pick up. Please enter using the gift shop door and walk to the counter where a KSC staff member will assist you. **Early pick up begins at 2:30 P.M. and ends at 3:30 P.M.** to allow staff to prepare for a safe, secure pick up beginning at 4:00. *Note: If your camper is not picked up by 5:00 P.M. additional fees will be incurred.*

Medical Information

When registering, you will be asked to complete a series of questions for the electronic School's Out Science Camp Health and Permission form. This information helps our Campers have the best possible experience. If your camper requires an Epi-pen or inhaler, we ask that you complete our Emergency Action Plan form at registration and provide a **labeled** Epi-pen or inhaler. Please note that we do not administer any other forms of medication.

What to Bring

- Campers should bring a snack for morning and afternoon and a lunch with a drink or refillable water bottle. We require each camper bringing their own lunchbox and drink- we will not be able to accommodate sibling sharing. Kentucky Science Center does NOT provide lunch for

campers, nor do we take the campers to Subway. We are unable to refrigerate or heat lunches/snacks so please plan accordingly.

- Closed toed shoes are highly recommended for exhibit exploration and daily experiment participation.
- Campers who may be overstimulated by noise (especially in our exhibits) are encouraged to bring noise cancelling headphones or earbuds with them. Kentucky Science Center has noise cancelling headphones that campers may borrow if needed.

What Not to Bring

- We request you leave personal items such as blankets, toys, trading cards, etc. at home.
- We ask that electronic devices stay put away during camp. We do reserve the right to hold onto any device until parents arrive for checkout.

Camp Policies

We are committed to providing a safe and supervised environment for all campers. We keep parents informed of all situations and do our best to work out conflicts if they arise. If a camper continues to have difficulty adapting to the camp program, we reserve the right to cancel that individual's camp session.

Space is limited and advance payment is required for all camps.

Kentucky Science Center reserves the right to cancel sessions due to insufficient enrollment, in which case an alternative session may be provided, or full refund will be issued.

Accessibility

Kentucky Science Center is committed to providing safe and educational experience for all campers. If you are interested in enrolling/or have enrolled a child with special needs and you have any questions, please call 502-560-7154.

FOR QUESTIONS OR EMERGENCIES DURING CAMP HOURS, PLEASE CALL 502-560-7128.
