

Stay & Play Aftercare FAQs

Is advanced registration required for my camper to attend Stay & Play Aftercare?

Yes, advanced registration is required for your camper to attend the Stay and Play Aftercare program. Please note that space is limited, and advanced payment is required. This is a separate payment from your camp registration.

Do I register for Stay & Play Aftercare by the day or by the week?

If you are signing up for any of our Pay by the Day Camps, you will register for Stay & Play Aftercare by the day.

If you are signing up for any of our weeklong Summer Camps, you will register for Stay & Play Aftercare by the week.

How long does Stay & Play Aftercare run?

The Stay & Play Aftercare program runs from 4:30 P.M.-5:00 P.M.

Are Stay & Play Aftercare registrations refundable?

Stay & Play Aftercare is non-refundable but may be rescheduled to a future session pending session availability. Notify Kentucky Science Center at least one week before the start of your existing session. If a transfer is not finalized with Kentucky Science center one week before the start of your existing session, no changes may be made to your registration. Days missed during the week are non-transferable and no partial refunds will be given.

Are snacks provided during Stay & Play Aftercare?

Snacks are not provided by Kentucky Science Center. However, you are more than welcome to pack an additional snack for your camper that they may eat during the Stay & Play Aftercare program.

What will my camper be doing during the Stay & Play Aftercare program?

During the Stay & Play Aftercare program campers will have access to materials from craft supplies to LEGOs® for open-ended play. Campers may also play with board/card games, read books, or play whole group games. Camp classrooms may utilize the TV in the classroom during these times for movement breaks, yoga, or for age-appropriate shows (i.e., Magic School Bus).

Where is the pick-up location for Stay & Play Aftercare?

Pick up location for Stay & Play Aftercare: Entrance inside the main Kentucky Science Center building. Head through the Main Lobby to the bottom of stairs by the Pendulum.
